Treasure Valley Merchants and Business Owners

Subject: Partner with Rotary for the 4th Annual Eagle Fun Days Rotary Ball Drop

Dear Business Owner,

On behalf of the Eagle-Garden City Rotary Club, I invite you to partner with us for our 4th Annual Eagle Fun Days Rotary Ball Drop on Saturday, June 26, 2026, at 4:00 PM in front of Heritage Park in Downtown Eagle. This exciting event is a community favorite, and all proceeds directly support Rotary projects and local charities serving the people of the Treasure Valley.

To make this year's Ball Drop a success, we are seeking sponsor donations in the form of cash, gift cards, or in-kind merchandise that can be used as prizes, valued at \$50, \$100, \$250, \$500, or \$1,000. Your generosity will be recognized in the following ways:

All sponsors or donors will have their contribution as a supporter shown on our event website: RotaryBallDrop.win and donors of \$250 or more can also have their logo or business name featured on the printed tickets and included in our advertising for the event.

Thanks to past donors, proceeds from this fundraiser have helped fund grants for six local organizations (Artisans for Hope, Boise Love Inc., Community Cakes, Hand in Hand Family Mentorship, Learning Lab, and River Discovery) and support ongoing Rotary service projects, including:

The Rotary Dictionary Project – Providing dictionaries to third graders in the Eagle area.

RYLA Youth Leadership Camp – Sponsoring local high school students for leadership development.

Eagle Country Christmas – Supplying crafts and holiday cheer for local children.

We would love for you to join us in making a lasting impact on our community while gaining excellent visibility for your business. Please let us know if you are able to contribute—donations must be received by Feb 28, 2026 to ensure inclusion on tickets and promotional materials, and the final cut off for all donations will be June 1, 2026.

Feel free to contact me by phone at 949-290-1295 with any questions or to confirm your donation. Thank you for considering this opportunity to give back to our community—we truly appreciate your support!

Best regards,

Garry Heath
